**DUNK, DRUGGED, AND DISTRACTED DRIVING ARE THE LEADING  
CAUSES OF DEATHS AND INJURIES IN THE METRO AREA  
CSPFIGHTFATALS.COM**

**I WANT YOU TO  
STOP FATAL &  
INJURY CRASHES!**

# Denver Fatal Crash Fact Sheet

## 62

Fatalities investigated  
in 2015 by the CSP.

## Tuesday

It's not just the second day of the work week; it is also the second deadliest day on our Denver metro area roadways. Saturday is the deadliest day.

***More fatal crashes in the Denver metro area start with a lane violation than any other cause.***

A lane violation is failing to stay in the lane or weaving, or running onto the curb. Lane violations are frequently caused by impairment, distracted driving, or excessive speed.
